

There is ZERO tolerance for not obeying these rules. Launching Facility Access will be revoked immediately.

1. All pedestrians must stay clear of the gate. Do not ride the gate or touch it. The Warning Sign on the gate must be followed at all times. There are exposed moving parts such as chains and rollers, therefore, making it a possible hazard for all individuals.
2. The gate is used only for licensed vehicle access only; no ATV's, golf carts, snow mobiles are allowed to cross the railway tracks by means of the gate. ATV's, snow mobiles and golf carts are for off road activity and are not insured for public access roads.
3. Pedestrians must use the pedestrian walkway gate. Do not go through the vehicle gate. The vehicle gate will not open or close based on a person's weight.
4. Pedestrians must not pull on the gate to close it or push on the gate to open it.
5. No tailgating another vehicle through the gate. You must swipe your own card.
6. Do not store watercraft of any kind off the shore of the marina. This includes the shoreline or offshore water area where the canoe racks are located.
7. The card is non-transferable. The transfer of your card results in immediate loss of Marina privileges for a minimum of one year.
